

MEMORANDUM

DATE: January 14, 2007

TO: UTHSC-H Contract Parkers

FROM: Mike Liske
Director of Parking & Shuttle Services

RE: University Center Tower Garage Parking Rate Increases

Effective March 1, 2008, UTHSC-H Auxiliary Enterprises Parking Services contract parking rates will be revised in accordance with the rates listed herein.

The goal of UTHSC-H Parking Services, since its inception, has been to provide convenient and economical parking to the UTHSC-H community. This has been a constant challenge, especially since we have limited UTHSC-H parking options for students, faculty & staff, and the majority of parking available within the Texas Medical Center (TMC) is operated by TMC.

Remember, if you receive the automatic payroll deduction option, you will receive a discount of \$5 per month on the parking rate. Payroll deduction forms can be completed at the Parking Office. Exact rate revisions are listed for each area.

If you are currently on automatic payroll deduct and wish not to continue your parking contract after February 29, 2008, you must notify the UTHSC-H Parking Services Office by or before February 5, 2008. If the UTHSC-H Parking Office does not receive timely notification, the rate increase will automatically be deducted in your February 16th and March 1st paychecks in payment for March 2008.

Below are the old and new rates for UT and Non UT Contract Parkers at the University Center Tower Garage.

	Old Rate			New Rate		
	Rate	Tax	Total	Rate	Tax	Total
UT						
2-5 Floors	\$76.00	\$0.00	\$76.00	\$79.80	\$0.00	\$79.80
Street	\$110.00	\$0.00	\$110.00	\$110.00	\$0.00	\$110.00
P2 Reserved	\$101.00	\$0.00	\$101.00	\$110.00	\$0.00	\$110.00
Non UT						
2-5 Floors	\$91.00	\$7.50	\$98.50	\$94.69	\$7.81	\$102.50
Street	N/A	N/A	N/A			
P2 Reserved	\$106.00	\$8.74	\$114.74	\$101.62	\$8.38	\$110.00

As we all know parking continues to be a challenge faced by the UTHSC-H and TMC community. In comparison to the TMC, downtown and other similar areas, the new rates are well below average. With maintenance upgrades at the remote lots, and capital improvements planned for the UCT garage, the UTHSC-H Auxiliary Enterprises Parking Services has no other option but to increase parking rates effective March 1, 2008.

If you have any questions, please contact the UTHSC-H Auxiliary Enterprises Parking Office at (713) 500-3405 or give me a call at (713) 500-8400.

Thank you for your continued support.
