

# Facilities Management

## Getting Around

### Shuttles

Contact: 713-792-2338 or e-mail: FM-Shuttle@mdanderson.org

The shuttle system serves the business needs of employees. It is intended to move employees to and from meetings and other work-related events. The shuttle service should not be used to get to and from work, as a park and ride service or to run personal errands. All employees must show their ID badges before boarding shuttles.

### Routes and Schedules

Routes operate from 7:30 a.m. to 6:00 p.m.

### By Request Instructions

The By Request shuttle is for riders in those buildings that do not have a direct route to their locations.

You can request the By Request shuttle by calling the number listed above. The shuttle will pick you up from your building and drop you off at any one of our normal shuttle routes, or you can call the shuttle from any normal shuttle stop and it will take you to a building on the By Request list.

The By Request shuttle will not drop you off at non-shuttle stops for any reason.

Please remember that there is only one By Request shuttle; it may take a little while for us to complete other requests on our way to get you. We appreciate your patience.
